How to use Gift Aid

- Ask every tax-paying donor to write their full details and tick the Gift Aid box to increase their donation at no extra cost. They must do this in their own handwriting so we can claim Gift Aid.
- Remember that Gift Aid can only be claimed on individual donations. Please do not Gift Aid the total amount you raise, as we won't be able to claim Gift Aid on this.
- When you pay in the money you've raised, make sure you send us this form too. To make it easier for us to match up your donations, please use the same name and address you used when registering.

EVERY CHILDHOOD IS WORTH FIGHTING FOR

* I have read this statement and have ticked the box headed 'Gift Aid' as confirmation that I am a UK Income Tax and/or Capital Gains tax payer. I want the NSPCC to reclaim tax on the donation detailed, given on the date shown. I understand that if I pay less Income Tax and/or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand NSPCC charity will reclaim 25p of tax on every £1 that I have given. We will only use the details that you have provided for the purposes of administering your donation and for claiming Gift Aid. If you would like to know about more ways to support the fight for every childhood, please contact our Supporter Care team on 020 7825 2505 or supportercare@nspcc.org.uk
