Get festive with fundraising

Jolly good ideas to raise money for children.

Wreath contest

Time to get creative. In this wreath making contest everyone gives a small donation to enter their best design, with prizes for the most traditional, or the most sparkly and glittery.

Let's wrap this up

Want to be really popular this Christmas? For just a small donation you could offer your present wrapping abilities to friends, family and colleagues – asking for more for premium paper and luxury bows.

It's the season for mince pies

A cosy night full of mince pies and mulled wine! After giving a suggested donation for entry, guests can catch up by the fireside and then get merry with some Christmas games and festive activities.

Festive fancy dress

Most of us love to dress up around Christmas. Just watch the donations snowball when you offer the chance to put on a Rudolph nose, a Santa suit, or an outrageous festive jumper!

Tell everyone about it! Download posters and invitations for your event at nspcc.org.uk/fundraising

EVERY CHILDHOOD IS WORTH FIGHTING FOR
