Spring into action

Eggcellent Easter ideas to raise money for children.

Who's hoppy?

Get a toy bunny, the bigger the better, and take donations to give that bouncy fellow a bonny name. Whoever comes up with the best takes the rabbit home.

Easter egg hunt

Calling all chocoholics, it's time for a big old Easter egg hunt! Participants could give a small donation to join in and scoff up all the treats they find. Bunny ears optional.

Egg decorating contest

A chance to get creative, participants must transform their humble eggs into incredible works of art – or at least try anyway – with prizes for the most amusingly or most beautifully decorated.

Dressing up? Hop to it!

Here's a chance to be playful. For a small suggested donation each person could dress up as something seasonal – like a spring chicken or cute bunny.
